The Silver State tells about it thus: A few days ago, the engineer and brakeman on the west-bound freight train, before leaving Winnemucca, noticed two men crawl into the tool locker under the caboose, intending to beat their way to California. We like to see home talent encouraged and the Bind boys are all well known here and they take pride in their organization. Any one who has heard them, will acknowledge that they have made good progress during the short time they have been practicing, and a band is a handy thing to have in a town.
